

Link to IBSA Skill Sets

Please help us spread the word about Skill Sets. Just cut and paste the following code into your website editor or software program so that you and others can easily access the IBSA Skill Sets website.

If you do not know what to do or if you are not the person managing your organisation's website, just send your web developer this information and they will know what to do.

Code:

```
<a href="http://www.ibsa.org.au/content/skill_sets.html"
target="_blank"></a>
```
