

BSB70107: Graduate Certificate in Organisational Learning and Capability Development;

BSB70108: Graduate Certificate in Management (Learning)

These qualifications reflect the roles of individuals who apply substantial specialised knowledge and skills in the field of learning and capability development.

In these roles they make significant high level independent judgements in major planning, design, operational and management functions within highly varied or specialised contexts.

This qualification may apply to leaders and managers in an organisation where learning is used to build capability - in these roles they harness learning to enhance existing practices and thinking, workforce capability and career development. In addition, the qualification may relate to professionals or managers in Registered Training Organisations seeking to advance organisational learning and capability.
