

Key Outcomes – 19 October 2010

At its 19 October 2010 meeting, the IBSA Board:

- Received a presentation from Robin Shreeve, Skills Australia, on the future of the VET system and the discussion paper "Creating a future direction for Australian vocational education and training"
- Noted the CEO's report highlighting the IBSA meetings around the country with the State and Territory Authorities to advise and discuss current projects, the new staff appointments and an overview of the changes underway in the tertiary sector
- Noted the current status of the Training Package projects and received presentations from the Industry Managers who provided updates on industry projects
- Received an update on the Environment Scan 2011 project highlighting that the national project committee would meet to review the draft Escans
- Noted the paper on Workforce Development and the progress in IBSA's Enterprise Based Productivity Places Program projects
- Received the report on business development activities
- Received the Finance and Operations Manager's summary report and the report of the Finance Audit and Risk Committee chair
- Noted receipt of correspondence.
